

CURRICULUM

Streamline your project management curricula across disciplines and faculty to align with and integrate industry best practices. Embed project-based learning as a core value of academic instruction.

CERTIFICATION

Equip your students with a skillset that complements any professional endeavor. Enhance your institutional standing and competitive advantage with internationally accredited awards in project management.

COMMUNITY of PRACTICE

Coordinate the exchange of knowledge among students, alumni and employers via a regular series of forums, seminars and workshops that challenge thinking, revitalize performance and enable innovation.

YOUR PATH TO ACADEMIC LEADERSHIP

CENTER of EXCELLENCE

Within a specific industry or sector, become a globally celebrated thought leader. Publish and promote project management excellence in traditional and new media and via extraordinary conferences and events.
